

Fabricator

Kansas City, KS

Production Team

Hours: 6:30 am – 3:00 pm

FLSA Status: Non-Exempt

Job Description

We are looking for someone to help us build every product we offer in three categories: oil separators, solids interceptors, and chemical waste tanks.

Responsibilities

- Build any catalog product from start to finish
- Excel in crafting products with little direction
- Aid in developing standard operating procedures in the Production area
- Work with the Engineering team to understand drawings and build process
- Learn the flow of Production and suggest product enhancement ideas or ways to make procedures more efficient
- Anticipate bottlenecks and telegraph them to the appropriate parties

Qualifications

- Great attitude
- Ability to use a wide array of tools to assist in fabrication; tool experience preferred
- Ability to lift a 75 lb. load
- Sense of humor

Area

The Production Team encompasses Fabrication, Machine Operation, Shipping & Receiving, Purchasing, Production Planning, and Quality Control.

About Striem

Striem manufactures oil separators, solids interceptors, and chemical waste tanks. Our formula is simple: build quality products, ship them quickly, and provide incredible customer service. Our philosophy is to be happier this year than last. We'd like you to join us.
